

## Recommendation Form

To the Librarian:

I strongly recommend that our Library subscribe to:

- |   |  |
|---|--|
| <input type="checkbox"/> Advanced Photonics (Open Access)                             | <input type="checkbox"/> Journal of Optical Microsystems (Open Access) |
| <input type="checkbox"/> Journal of Applied Remote Sensing                            | <input type="checkbox"/> Journal of Nanophotonics                      |
| <input type="checkbox"/> Journal of Astronomical Telescopes, Instruments, and Systems | <input type="checkbox"/> Journal of Photonics for Energy               |
| <input type="checkbox"/> Journal of Biomedical Optics (Open Access)                   | <input type="checkbox"/> Neurophotonics (Open Access)                  |
| <input type="checkbox"/> Journal of Electronic Imaging                                | <input type="checkbox"/> Optical Engineering                           |
| <input type="checkbox"/> Journal of Medical Imaging                                   | <input type="checkbox"/> SPIE Proceedings and Journals                 |
| <input type="checkbox"/> Journal of Micro/Nanopatterning, Materials, and Metrology    | <input type="checkbox"/> SPIE eBooks                                   |

This is an important resource for me, my colleagues, and students, and should be part of the Library's collection
