This article [*Opt. Eng.* 47(11), 114001 (2008), doi: [10.1117/1.3006123](https://doi.org/10.1117/1.3006123)] was originally published on 6 November 2008, with an error in Eq. (5). The sign of the coefficient of the first term, originally published as -3.800×10^{-5} should be positive, not negative. The coefficient should be $+3.800 \times 10^{-5}$.
